Newsletter #15

August 11, 2016

Welcome to the new subscribers since the last newsletter. Hope you will enjoy the information that we can provide. We also invite you to check out our website <http://savethehowsondam.weebly.com/>

For the repeat visitors - a new section has been added entitled "**More pictures on the Pond**" and can be found

at <http://savethehowsondam.weebly.com/more-pictures-on-the-pond.html> Here you can find pictures of people using the Pond - check it out to see if there's anyone you know. Also - if you have a picture or information that you would like to share, it can be sent to howsondamrepair@gmail.com

The only new information about Howson Dam was at the last Council meeting: a consulting firm has been selected to perform the Environmental Assessment. As information about the timing of the EA is made available, we will get it to you as soon as possible.

As always - feel free to share and forward this message to family and friends. Encourage them to sign up to receive these emails. They can also join us on Facebook.

Enjoy the rest of the summer.

The Howson Dam/Pond Team
