

Oct 8, 2022

Thank you for continuing to support your right to have a beautiful pond in Wingham.

Mitch Wright has been on the Howson Dam & Pond Citizens Committee for a long time, and he is running for municipal council. He is a very strong advocate for the Howson Dam & Pond. Please support him.

Lonnie Whitfield is a less known candidate to our committee; however, he has said numerous times, both publicly and privately, that he would support repairing the Howson Dam. Our committee will support him.

Stacey Boyd, on the other hand has sided with Paul Heffer, who wants the complete removal of the Howson Dam.

After talking to the candidates running for Reeve, our committee will continue to support Bernie Bailey.

Please make your vote count.

Thank you, Rennie Alexander,

Howson Dam & Pond Citizens Committee Chairperson
